

December, 2011

All Windswept finishes are designed to replicate the natural texture and patina of weathered wood without hiding the natural grain of the wood substrate.

The Windswept finish is a multi-layer factory machine applied coating system using high quality acrylic resins designed for excellent exterior durability and UV protection.

*The Windswept coating will continue protecting your siding against UV rays and excessive moisture penetration for five years.

*Exposure conditions will vary by geographical locations and natural color changes will occur depending on location

5 year Limited warranty:

Crack, Peel and Flake Resistant: Finish coat will not crack, peel or flake.

Washable: Dirt can be removed without damaging the finish.

Resistant to Chalk wash down: Windswept coatings will not cause chalk stains on brick or other surfaces below the coating.

Resistant to significant water penetration: The protective coating of Windswept finish is resistant to water penetration.

Windswept Limited Warranty Conditions

In the event the coating fails to conform to this warranty Windswept, as its sole liability and in lieu of any direct or indirect, incidental, special or consequential damages, will at the option of Windswept furnish sufficient replacement coating to repair the siding involved or replace the product determined by Windswept to be defective. **LABOR OR COSTS OF LABOR FOR THE APPLICATION OF ANY PRODUCT AND OTHER EXPENSES SUCH AS ACCESSORIES (fasteners, caulk, building paper and the wood substrate) SPECIFICALLY ARE EXCLUDED.**

Windswept obligations under this Warranty shall in no event exceed the purchase price of the original products. Any replacement product provided in response to a warranty claim shall be warranted only for the balance of the applicable period under this warranty.

This warranty does not apply to damage or failure caused by excessive warping, cupping, splitting, cracking, and shrinkage of the siding material, breakdown of the underlying substrate; falling objects; faulty or improper storage or installation; accidental damage; structural defects; fire; lightning; or other acts of God; harmful chemicals or cleaning compounds; surface deterioration due to air pollution; misuse; abuse; vandalism; mildew accumulation; scratching; abrading or misuse/abuse after installation. Extractive bleeding, and color appearance are not considered defects are not covered under this warranty. Windswept makes no other express nor implied warranties and specifically disclaims the implied warranties of merchantability and fitness for a particular purpose.
